

Application Development Contacts

If you have an idea for a project, you may contact the following VIMS MAP specialists for assistance in writing your workplan or to request additional information. These people can also direct you to a research scientist who has expertise related to your project topic.

VIMS MAP contacts include:

David Rudders	804-684-7531	MAP Associate Director, Data Collection/Analysis
Karen Hudson	804-684-7742	FRG Program Coordinator, Shellfish Aquaculture
Lexy McCarty	804-684-7810	Shellfish Aquaculture, Data Collection/Analysis
Sarah Borsetti	804-684-7168	Commercial Fisheries, Data Collection/Analysis
Dan Sennett	804-684-7669	Finfish Aquaculture

Virginia Fishery Resource Grant Program - Application Workshops

Three workshops will be held to explain the VFRGP, including eligibility and funding priorities, how to complete the application form and where to go for more help when developing a grant application package.
